CROSS MY HEART AND HOPE TO DIE

Par Elvis Presley

Album : *GIRL HAPPY*

I can explain about last night
Though things didn't look just right
Please believe me there was nothing wrong
I thought about you baby all night long

Cross my heart and hope to die

Well I wouldn't tell you no lie, mmm
Talk about a piece of rotten luck
You do a friend a favor and you wind up stuck
She couldn't hold a candle to you, no siree
Very hard to handle like a Model T

Cross my heart and hope to die

Well I wouldn't tell you no lie

Please believe me when I say

Wild horses couldn't drag me away

From you 'cause I don't have to look too hard

To see what I've got in my own back yard

So please forgive me and forget

Don't say my alloy's all wet

I miss those kisses from your honeycomb

This humble bumble bee just wants to fly back home

Cross my heart and hope to die

Well I wouldn't tell you no lie

I wouldn't tell you no lie

No no no no no no

I wouldn't tell you no lie
