# For The Good Times - Alt. Take

Par Elvis Presley

*Album : Platinum A Life In Music (Disc*

Don't look so sad, I know it's over  
But life goes on and this old world will keep on turning  
Let's just be glad we had some time to spend together  
There's no need o watch the bridges that we're burning

**Lay your head upon my pillow**

**Hold your warm and tender body close to mine**

**Hear the whisper of the raindrops fallin' soft against the window**

**And make believe you love me one more time**

For the Good times  
I'll get along, you'll find another  
And I'll be here if you should find you ever need me  
Don't say a word about tomorrow or forever  
There'll be time enough for sadness when you leave me

Lay your head upon my pillow

Hold your warm and tender body close to mine

Hear the whisper of the raindrops fallin' soft against the window

And make believe you love me one more time

For the good times

For the good times
