I Want You, I Need You, I Love

Par Elvis Presley

Album : This Is Elvis Presley CD1

Hold me close, hold me tight

Make me thrill with delight

Let me know where I stand from the start

I want you, I need you, I love you

With all my heart

Every time that you're near

All my cares disappear

Darling, you're all that I'm living for

I want you, I need you, I love you

More and more

I thought I could live without romance until you came to me

But now I know that I will go on loving you eternally

Won't you please be my own?

Never leave me alone

'Cause I die every time we're apart

I want you, I need you, I love you

With all my heart

Well I thought I could live without romance

Until you came to me

Well now I know that I, I, I will go on loving you eternally

You want please be my own?

Never leave me alone

'Cause I die every time we're apart

I want you, I need you, I love you

With all my heart
