Money Honey

Par Elvis Presley

Album : The King Of Rock 'N' Roll Cd 5

You know, the landlord rang my front door bell

I let it ring for a long, long spell

I went to the window

I peeped through the blind

I asked him to tell me what's on his mind, he said

Money, honey, uh uh

Money, honey

Money, honey, if you want to get along with me

Well, I screamed and I hollered

I was so hard-pressed

I called the woman that I loved the best

I finally got my baby 'bout half past three

She said I'd like to know what you want with me, I said

Money, honey, uh uh

Money, honey

Money, honey

If you want to get along with me

Well, I said tell me baby, what's wrong with you?

From this day on, our romance is through

I said tell me baby, face to face

But how could another man take my place, she said

Money, honey, uh uh

Money, honey

Money, honey

If you want to get along with me

Well, I've learned my lesson and now I know

The sun may shine and the winds may blow

The women may come and the women may go

But before I say I love you so, I want

Money, honey, uh uh

Money, honey

Money, honey

If you want to get along with me
