# One Broken Heart For Sale

Par Elvis Presley

*Album : Elvis Presley - The Complete Singles*

**Who wants to buy a heart (oh yeah)**

**One broken lover's heart**

**One broken heart for sale**

Well, excuse me if you see me crying like a baby

Since she rejected me

There's nothing left to save me, yeah

**Who wants to buy a heart (oh yeah)**

**One broken lover's heart**

**One broken heart for sale**

Well, she would not listen to the things my heart was saying

She turned and walked away

And told me I was playing

Some guys have all the luck

My heart hasn't any

I think I'll paint a sign

For sale for a penny

**Who wants to buy a heart (oh yeah)**

**One broken lover's heart**

**One broken heart for sale**

Who wants to buy a heart (my whole heart)

**One broken lover's heart (oh yeah)**

**One broken heart for sale**

**Who wants to buy a heart (oh yeah)**

**One broken lover's heart (oh yeah)**

**One broken heart for sale**
