# Puppet on a String

Par Elvis Presley

*Album : Elvis Presley Girl Happy at the World's Fair*

Every time you look at me

I'm as helpless as can be

**I become a puppet on a string**

**You can do most anything with me**

All you do is touch my hand

And your wish is my command

**I become a puppet on a string**

**And you can do most anything with me**

**If you really love me**

**Darling, please be kind**

I offer you the truest love that you will ever find

**Take my heart and please be fair**

**Handle it with love and care**

**For I'm just a puppet on a string**

**You can do most anything with me**

**If you really love me**

**Darling, please be kind**

I offer you truest love that you will ever find

**Take my heart and please be fair**

**Handle it with love and care**

**For I'm just a puppet on a string**

**And you can do most anything with me**

**You can do most anything with me**
