Bitches Crystal

Par Emerson, Lake & Palmer

Album : The Return of the Manticore Disc 3 of 4

Bitches Crystal

Knows how you

Twist all the lines

Fortune teller

Future seller

Of time

Tortured spirits cry

Fear is in their eyes

Ghostly images die

Witches potion

Mixed in the ocean

Of tears

Mystical powers

Emerge from the towers

Of fear

Tortured spirits cry

Fear is in their eyes

Ghostly images die

Evil learning

People burning

Savage casting

No one lasting

Witchcraft

Sadness

Madness

Turning in their minds

Evil learning

People burning

Savage casting

No one lasting

Witchcraft

Sadness

Madness

Turning in their minds

Ritual killings

That swear in

The shillings to be

Heretic priestess

Dwells on the

Weakness she sees

Tortured spirits cry

Fear is in their eye

Ghostly images die
