Take A Pebble

Par Emerson, Lake & Palmer

Album : Live in Poland (2011, 88697866622CD3)

Just take a pebble and cast it to the sea
Then watch the ripples that unfold into me
My face spills so gently into your eyes

Disturbing the waters of our lives

Shreds of our memories are lying on your grass
Wounded words of laughter are graveyards of the past
Photographs are grey and torn, scattered in your fields
Letters of your memories are not real

Wear sadness on your shoulders like a worn-out overcoat
In pockets creased and tattered hang the rags of your hopes
The daybreak is your midnight, the colours have all died

Disturbing the waters of our lives

Of our lives, lives, lives
Of our lives
