Out From The Deep

Par Enigma

Album : Enigma 2 - The Cross Of Changes (Japan Edition)

We came out from the deep.

To learn to love, learn how to live.

We came out from the deep.

To avoid the mistakes we made.

That's why we are here!

That's why we are here!

That's why we are here!

We came out from the deep.

To help and understand, but not to kill.

It takes many lives till we succeed,

To clear the debts of, many hundred years.

That's why we are here!

That's why we are here!

That's why we are here!

That's why we are here!

That's why we are here!

That's why we are here!
