Rhythm Divine

Par Enrique Iglesias

Album : Greatest Hits (International Version)

Escucha el ritmo de tu corazón

(Feel the rhythm)

From the coast of Ipanema

To the Island of Capri

All the way to Kuala Lumpur

I will follow you wherever you may be

From the moment I first saw you

Knew my heart could not be free

Have to hold you in my arms now

There can never be another for me

All I need is

The rhythm divine

Lost in the music

Your heart will be mine

All I need is

To look in your eyes

Viva la música!

Say you'll be mine

Can you feel the heat of passion

Can you taste our love's sweet wine

Join the dance and let it happen

Put tomorrow cares right out of your mind

As the music draws you closer

And you fall under my spell

I will catch you in my arms now

Where the night can take us no one can tell

All I need is

The rhythm divine

Lost in the music

Your heart will be mine

All I need is

To look in your eyes

Viva la música!

Say you'll be mine

Gotta have this feeling forever

Gotta live this moment together

Nothing else matters

Just you and the night

Follow on the wings of desire

Now the rhythm's taking you higher

No one can stop us from having it all

You are my heart, you are my soul

All I need is

The rhythm divine

Lost in the music

Your heart will be mine

All I need is

The look in your eyes

Viva la música!

Say you'll be mine

All I need is

The rhythm divine

Lost in the music

Your heart will be mine

All I need is

To look in your eyes

Viva la música!

Say you'll be mine

Can you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burning

Can you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burning

Can you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burning

Can you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burning
