Enya - Book Of Days

Par Enya

Album : Shepherd Moons

One day, one night, one moment

My dreams could be, tomorrow

One step, one fall, one falter

East or west, over earth or by ocean

One way to be my journey

This way could be my book of days

O la go la, mo thuras

An bealach fada romham

O oiche go hoiche, mo thuras

Na scealta nach mbeidh a choich

No day, no night, no moment

Can hold me back from trying

I'll flag, I'll fall, I'll falter

I'll find my day may be

Far and away

Far and away

One day, one night, one moment

With a dream to believe in

One step, one fall, one falter

And a new earth across a wide ocean

This way became my journey

This day ends together

Far and away

This day ends together

Far and away

Far and away
