Wild Child

Par Enya

Album : Best

Ever close your eyes

Ever stop and listen

Ever feel alive

And you've nothing missing

You don't need a reason

Let the day go on and on

Let the rain fall down

Everywhere around you

Give into it now

Let the day surround you

You don't need a reason

Let the rain go on and on

What a day

What a day to take to

What a way

What a way to make it through

What a day

What a day to take to

A wild child

Only take the time

From the Helter Skelter

Every day you find

Everything's in kilter

You don't need a reason

Let the day go on and on

Every summer sun

Every winter evening

Every spring to come

Every autumn leaving

You don't need a reason

Let it all go on and on

What a day

What a day to take to

What a way

What a way to make it through

What a day

What a day to take to

A wild child

What a day

What a day to take to

What a way

What a way to make it through

What a day

What a day to take to

A wild child

What a day

What a day to take to

What a way

What a way to make it through

What a day

What a day to take to

Da da da

Da da da da da da

What a way

What a way to make it through

Da da da

Da da da da da da

Da da da

Da da da da da da

What a way

What a way to make it through

What a day

What a day to take to

A wild child

What a day

What a day to take to

A wild child
