I Am Blessed

Par Eric Bibb

Album : Spirit & The Blues

I am blessed every day that I live

No one can take away from me

The gifts you give

When I forget, Lord, remind me

So I can leave my chaos behind me

I am blessed every day that I live

Sometimes, I'm so troubled

I wonder can I make it

Feels like my ship is goin' down, sinkin' fast

Still, I should know by now

There is always a way, somehow

Ain't no trouble in my life made to last

I am blessed every day that I live

And no one can take away from me

The gifts you give

When it seems all hope is lost

Help me remember all the rivers I've crossed

Lord, I'm blessed every day that I live

Sometimes I'm so happy

I wonder can I take it

All these victories comin' in

I know I've earned

It's been a long, hard climb

Now is harvest time

To everything, there is a season, turn, turn, turn

I am blessed every day that I live

And no one can take away from me

The gifts you give

The horn of plant is overflowin'

As my conviction is growin'

I am blessed every day that I live

No one can take away from me

The gifts you give

When I forget, Lord, remind me

Leave my chaos behind me

I am blessed every day that I live
