Change The World

Par Eric Clapton

Album : Top 40 En Tipparade uit 1996

If I can reach the stars

Pull one down for you

Shine it on my heart

So you could see the truth

That this love I have inside

Is everything it seems

But for now I find

It's only in my dreams

And I can change the world

I will be the sunlight in your universe

You would think my love was really something good

Baby, if I could change the world

If I could be king

Even for a day

I'd take you as my queen

I'd have it no other way

And our love would rule

In this kingdom we have made

'Til then I'd be a fool

Wishing for the day

And I can change the world

I would be the sunlight in your universe

You would think my love was really something good

Baby, if I could change the world

Baby, if I could change the world

I could change the world

I would be the sunlight in your universe

You would think my love was really something good

Baby, if I could change the world

Baby, if I could change the world
