# Unplugged 08 Running on faith

Par Eric Clapton

*Album : Eric Clapton*

Lately I've been running on faith

What else can a poor boy do?

But my world will be right

### When love comes over you

Lately I've been talking in my sleep

Can't imagine what I'd have to say

Except my world will be right

When love comes back your way

I've always been

### One to take each and every day

### Seems like by now

I'd find a love who'd care just for me

And we go running on faith

All of our dreams will come true

**And our world will be right**

When love comes over me and you

Well, I've always been

**One to take each and every day**

**Seems like by now**

I'd find a love who cares just for me

Then we'd go running on faith

All of our dreams would come true

**And our world will be right**

When love comes over me and you,

Yes it would

**When love comes over you**

Said when love comes over you

**Love comes over you (love comes over you)**

**All of our dreams will come true (love comes over you)**

**Love comes over you (love comes over you)**

**All of our dreams will come true (love comes over you)**

I said when love comes over you (love comes over you)

All of our dreams will (love comes over you)

**All of our dreams will come true (love comes over you)**

**When love comes over you (love comes over you)**

**All of our dreams will come true (love comes over you)**

**When love comes over you (love comes over you)**

**When love comes over you (love comes over you)**

(Love comes over you)

Love comes over you
