Imaginary (Mystery Edit)

Par Evanescence

Album : Mystary EP

Aa-ah-ah-ah, paper flowers

Aa-ah-ah-ah, paper flowers

I linger in the doorway of alarm clocks screaming

Monsters calling my name

Let me stay where the wind will whisper to me

Where the raindrops as they're falling tell a story

In my field of paper flowers

And candy clouds of lullaby

I lie inside myself for hours

And watch my purple sky fly over me

Don't say I'm out of touch

With this rampant chaos, your reality

I know well what lies beyond my sleeping refuge

The nightmare I build my own world to escape!

In my field of paper flowers

And candy clouds of lullaby

I lie inside myself for hours

And watch my purple sky fly over me

Swallowed up in the sound of my screaming

Cannot cease for the fear of silent night

Oh, how I longed for the deep sleep dreaming?

The Goddess of imaginary light

In my field of paper flowers

And candy clouds of lullaby

I lie inside myself for hours

And watch my purple sky fly over me

Aa-ah-ah-ah, paper flowers
