GANGSTA LOVIN?

Par EVE

Album : OLUTION

I just wanna rock you

Ooh-oh all night long

Oooooohhhh

I just wanna rock you

Ooh-oh all night long

Oooooohhhh

Need you to understand me daddy

I ain't your average, baby girl

Doin' it dawg, I'm well established

I ain't tryin' to lead ya on

Just wanna ask, if ya might wanna

Gimme your name, explain your status

You know I see you time to time

You seem available, don't mean shit

I know these bitches wanna settle you

Gotta say you on my short list, a few

Them other dudes is okay, but I'm feelin' you

Want you in the best way

What you gon' do about it?

Why don't you just test me

You won't wanna do without it

No I'm comin' at you hard, meetin' a thug

And I ain't givin' up

'Til I get that gangsta love (Gangsta love)

I just wanna rock you

Ooh-oh all night long

Oooooohhhh

(I wanna rock you) I just wanna rock you

Ooh-oh all night long

Oooooohhhh

I know you see me this night, that night

Always my shit tight

Hair done, outfit crazy, skirts fit just right

Wife beater with a bangin' tan

Walk in demandin' all eyes, baby here I am

Ain't ashamed of my frame and I know you're watchin'

Puttin' on a show for you pop and I ain't stoppin' (You know)

Lotta action and you horny and you gonna do

Only thing to make it better though is me with you (You know it)

And I know your feelin' that regardless of your frontin'

And I heard through the streets it was me you wantin'

Let me find out you shy or somethin'

But I know you're not

So stop the games and approach, is you real or not? (Real or not)

I just wanna rock you

Ooh-oh all night long

Oooooohhhh

(I wanna rock you) I just wanna rock you

Ooh-oh all night long (All night long)

Oooooohhhh

Okay, numbers exchanged

Now it's in play

Shouldn't ha' took you so long, in the first place

I'm just playin' cutie, yeah give me a call

No it's cool, you ain't gotta see me to my car

I'm a big girl, but you'll find out

Stuck for me, while I drop top and ride out

Wheels spinnin', wanna know what shawty's all about

But it's cool, I'm provin' and these words' comin' out my mouth

It's that gangsta lovin' (Gangsta)

That just got me buggin' (Buggin')

It's that gangsta lovin' (Gangsta, gangsta)

That just got me buggin' (Ooh-ooh-ooh-aah)

I just wanna rock you

Ooh-oh all night long

Oooooohhhh

(I wanna rock you) I just wanna rock you

Ooh-oh all night long (All night)

Oooooohhhh

I wanna rock you baby

I wanna hold you baby

Why won't you be my baby?

I wanna be your lady

I wanna rock you baby

I wanna hold you baby

Won't you be my baby?

I wanna be your lady, yeah yeah

Baby let me rock with you (It's gangsta gangsta)

You know I wanna rock with you (Gangsta gangsta)

Baby let me rock with you (the E-V-E)

You know I wanna rock with you (A. Keys, gonna rock you)

Baby let me rock with you

You know I wanna rock with you (It's gangsta gangsta)

Baby let me rock with you (Gangsta gangsta)

You know I wanna rock with you (It's gangsta, gangsta love, ooh)

You know I wanna rock with you

Baby let me rock with you
