# High Energy

Par Evelyn Thomas

*Album : Greatest Disco Hits*

**High energy, your love is lifting me**

Whoa-oo high energy

**Your love is lifting me**

Lifting me high

It was only last week that we first met

When I was walking down the street

You came up from behind me and I knew

That our eyes were gonna meet

That's when I fell into your arms

Imagine my surprise

I thought this only happened in fairy tales

Love hit me right between the eyes

Oh yeah

**High energy, your love is lifting me**

**Whoa-oooh high energy, yeah**

**Your love is lifting me**

Lifting me high... high

When you call me on the phone you make my spirit rise

I'm glad the others didn't last

It's a blessing in disguise

Every time you're touching me

It gives me such a thrill

When I look deep into your eyes

My heart just can't keep still, oh no

**High energy, your love is lifting me**

**Whoa-oooh high energy, yeah**

**Your love is lifting me**

Lifting me high, high

All the gold that's in Fort Knox couldn't buy this happiness

With your love I don't need money

I don't need success

I became a victim of a sudden love attack, yeah

It happened in a blink of an eye

And there's no holding back, oh

High energy, yeah, your love is lifting me

Whoa, whoa, whoa, whoa-oooh high energy, ooh yeah

**Your love is lifting me**

Lifting me high (energy)

(Your love is lifting me

High energy)
