Missing (Todd Terry Club Mix (Blanco Eternal Radio Edit))

Par Everything but the Girl

Album : Top 40 En Tipparade uit 1995

I step off the train

I'm walking down your street again

And past your door

But you don't live there anymore

It's years since you've been there

Now you've disappeared somewhere

Like outer space

You've found some better place

And I miss you

Like the deserts miss the rain

Could you be dead?

You always were two steps ahead

Of everyone

We'd walk behind while you would run

I look up at your house

And I can almost hear you shout

Down to me

Where I always used to be

And I miss you -

Like the deserts miss the rain

Back on the train

I ask why did I come again

Can I confess

I've been hanging around your old address?

And the years have proved

To offer nothing since you moved

You're long gone

But I can't move on

And I miss you -

Like the deserts miss the rain

I step off the train

I'm walking down your street again

And past your door

I guess you don't live there anymore

It's years since you've been there

Now you've disappeared somewhere

Like outer space

You've found some better place

And I miss you -

Like the deserts miss the rain

And I miss you -

Like the deserts miss the rain (deserts miss the rain)
