# X Rated(Space Laces Remix)

Par Exciscion

*Album : X Rated : The Remixes*

Explicit expert, the highly exalted

I exercise dancefloors, leave 'em exhausted

Exploring apex, sound expedition

Filled with excess demons ya'll can bring the exorcism

I exert stress when I export beats

That exhilarate the hard and exterminate the weak

Execution level next, no way to explain it

I'm XXX bitch, triple X-rated

Triple X

E-e-x

**Yeah come on, I'm triple X-rated!**
