# Chase for Daylight feat. Toyo (from NEW BREED)

Par Fade

*Album : Ten*

Don't worry no tricks up my sleeve

Got nothing left to hide

Keep moving closer everyday

Head off crash collision course

(FORGET FULL FORCE) You talked the talked

(FORGET LETS TALK) But can you back it up

Action will speak louder than just words

When the moment comes don't let it slip away

**Take hold of it**

Cause it may never come around again

**We all bleed**

**When everything is said and done (SAID AND DONE)**

**There is one thing you can rest assure of**

**We all bleed and like chase for daylight**

**When the sun goes down (WHEN THE SUN GOES DOWN)**

**Going to find out what you're made of (WHAT YOU'RE MADE OF)**

**We all bleed in the chase for daylight**

**Face to face (FACE TO FACE)**

**Think it's just a game**

There's really no use pretending

Wishing that the past was dead

Time to expect the fact that lot things

Don't work out the way we plan

(FORGET FULL FORCE) Stakes are high

(FORGET LETS TALK) But if you're wondering why

Will you every known just what your worth

**When the moment comes don't let it slip away (DON'T LET IT SLIP AWAY)**

**Take hold of it**

**Cause it may never come around again (COME AROUND AGAIN)**

**We all bleed**

**When everything is said and done (SAID AND DONE)**

**There is one thing you can rest assure of**

**We all bleed and like chase for daylight**

**When the sun goes down (WHEN THE SUN GOES DOWN)**

**Going to find out what you're made of (WHAT YOU'RE MADE OF)**

**We all bleed in the chase for daylight**

**Face to face (FACE TO FACE)**

**Think it's just a game**

(WE ALL BLEED IN THE CHASE FOR DAYLIGHT)

(WHEN THE SUN GOES DOWN, WHEN THIS SUN GOES DOWN)

**When the moment comes don't let it slip away (DON'T LET IT SLIP AWAY)**

**Take hold of it**

**Cause it may never come around again (COME AROUND AGAIN)**

**We all bleed (We All BLEED)**

**We all bleed (We All BLEED)**

**We all bleed (We All BLEED)**

When everything is said and done

**There is one thing you can rest assure of**

**We all bleed and like chase for daylight**

When the sun goes down

**Going to find out what you're made of (WHAT YOU'RE MADE OF)**

**We all bleed in the chase for daylight**

**Face to face (FACE TO FACE)**

Still think it's a game (IT'S A GAME)

**Going to find out what you're made of (WHAT YOU'RE MADE OF)**

We all bleed in the chase for daylight (CHASE FOR DAYLIGHT)
