Greedy (Tate McRae cover)

Par Fame On Fire

Album : Greedy

She said, "Are you serious? I've tried, but I can't figure out
I've been next to you all night and still don't know what you're about
You keep talking, talking, but not much coming out your mouth
Can't you tell that I want you?" I say, yeah

I would want myself

Baby, please believe me

I'll put you through hell

Just to know me, yeah-yeah

So sure of yourself

Baby, don't get greedy (don't get greedy)

That shit won't end well

Ooh, end well

I see you eyeing me down, but you'll never know much past my name

Or how I'm running this room around and that I'm still half your age

Yeah, you're looking, looking at me like I'm some sweet escape

It's obvious that you want me, but I said

I would want myself

Baby, please believe me

I'll put you through hell

Just to know me, yeah-yeah

So sure of yourself

Baby, don't get greedy (don't get greedy)

That shit won't end well

Ooh, end well

She said, "I'm just curious, is this for real or just an act?"

Can't tell if you love or hate me, never met someone like that

Drive me so crazy-zy, did you know you got that effect?"

I said, "Lemme check, yeah"

I would want myself

Baby, please believe me

I'll put you through hell

Just to know me, yeah-yeah

So sure of yourself

Baby, don't get greedy (don't get greedy)

That shit won't end well

Ooh, end well

(I would want myself)

(I would want myself)

I would want myself

(I would want myself)

(I would want myself)
