No no no no

Oh

Hmm hmm, yeah

All the people in the world

Every boy and every girl

Just imaging that we could

It isn't hard to do

All the people in the world

Every boy and every girl

Just imaging that we could

**Face up brotherhood**

Oh, oh oh oh oh oh oh oh oh oh oh, mama eh

Oh, oh oh oh oh oh oh oh oh oh oh oh

**All the people**

**All the people**

**All the people**

Mama eh

Mama eh

**Mama eh, oh-oh**

**All the people in the world**

**Every boy and every girl**

**Just imaging that we could**

**It isn't hard to do**

Through the valleys follow me (follow me)

From down below to the way up high

Baby, we can touch the sky (Oh yeah)
