Don't You Want Me

Par Felix

Album : Cream Anthems: 20th Anniversary

You were workin' as a waitress in a cocktail bar

When I met you

I picked you out, I shook you up and turned you around

Turned you into someone new

Now five years later on you've got the world at your feet

Success has been so easy for you

But don't forget, it's me who put you where you are now

And I can put you back down too

Don't, don't you want me?

You know I can't believe it when I hear that you won't see me

Don't, don't you want me?

You know I don't believe you when you say that you don't need me

It's much too late to find

You think you've changed your mind

You'd better change it back or we will both be sorry

Don't you want me, baby?

Don't you want me, ohh?

Don't you want me, baby?

Don't you want me, ohh?

I was working as a waitress in a cocktail bar

That much is true

But even then I knew I'd find a much better place

Either with or without you

The five years we have had have been such good times

I still love you

But now I think it's time I live my life on my own

I guess it's just what I must do

Don't, don't you want me?

You know I can't believe it when I hear that you won't see me

Don't, don't you want me?

You know I don't believe you when you say that you don't need me

It's much too late to find

You think you've changed your mind

You'd better change it back or we will both be sorry

Don't you want me, baby?

Don't you want me, ohh?

Don't you want me, baby?

Don't you want me, ohh?

Don't you want me, baby?
