You Don't Know What Love Is

Par Fenton Robinson

Album : The Story Of The Blues

You don't know what love is

Until you really fall in love one time

You don't know what love is

Until you really fall in love one time

Oh, I remember what this love did with me

As you almost blew my mind

From sun-up until sun-down

She kept my nose down on the ground

Oh, from sun-up all day long, yeah

She kept my nose down on the ground, ground

Oh, she even jiggled my life around on her lil' chain

And now I know I'll never be the same

And I'll be a fool to say it's all over

Her beautiful picture still enters my mind, oh no

And I'll be a fool to say it's all over

Her beautiful picture still enters my mind

Oh, brother, you just don't know what love is

Until you really fall in love one time

Brother, you don't know

Sister, you don't know

Brother, you don't know

Sister, you don't know

Ahh, you just don't know

You don't know

Sister, you don't know

Brother you don't know, oh-oh
