Love of a Lifetime

Par Firehouse

Album : Firehouse - Firehouse

I guess the time was right for us to say

We'd take our time and live our lives together day by day

We'll make a wish and send it on a prayer

We know our dreams can all come true with love that we can share

With you I never wonder

Will you be there for me?

With you I never wonder

You're the right one for me

I finally found the love of a lifetime

A love to last my whole life through

I finally found the love of a lifetime

Forever in my heart

I finally found the love of a lifetime

With every kiss, our love is like brand-new
And every star up in the sky was made for me and you
Still we both know that the road is long
We know that we will be together
Because our love is strong

I finally found the love of a lifetime

A love to last my whole life through

I finally found the love of a lifetime

Forever in my heart

I finally found the love of a lifetime

I finally found the love of a lifetime

A love to last my whole life through

I finally found the love of a lifetime

Forever in my heart

I finally found the love of a lifetime

(I finally found the love of a lifetime)

Love of a lifetime (I finally found the love of a lifetime)

I finally found a love (I finally found the love of a lifetime)

Ooh, forever in my heart

I finally found the love of a lifetime

Ooh, ooh
