Gold Dust Woman

Par Fleetwood Mac

Album : Rumours

Rock on, Gold Dust Woman

Take your silver spoon, dig your grave

Heartless challenge

Pick your path and I'll pray

Wake up in the morning

See your sunrise, loves to go down

Lousy lovers pick their prey

But they never cry out loud, cry out

Well, did she make you cry

Make you break down

Shatter your illusions of love?

And is it over now, do you know how?

Pick up the pieces and go home

Rock on, ancient queen

Follow those who pale in your shadow

Rulers make bad lovers

You better put your kingdom up for sale

Up for sale

Well, did she make you cry

Make you break down

Shatter your illusions of love?

And is it over now, do you know how?

Pick up the pieces and go home

But did she make you cry

Make you break down

Shatter your illusions of love?

And now tell me, is it over now?

Do you know how to pick up the pieces

And go home? Go home, go home

Pale shadow of a woman

Black widow

Pale shadow of a dragon

Dust woman

Pale shadow of a woman

Black widow

Pale shadow, she's a dragon

Gold Dust Woman

Woman, woman
