Madison Blues

Par Fleetwood Mac

Album : Blues Years

Well, you got a song about your Madison shoes

Well, I got a song we call the Madison blues

We do the Madison blues

We do the Madison blues

We do the Madison blues

Yes and rock away your shoes

Ho yeah

Well I got a girl her name is Linda Loo

She said she'd let me roll her, but you know it ain't true

We do the Madison blues

We do the Madison blues

We do the Madison blues

Yes and rock away your shoes

Ho yeah

Well, you got a song about your Madison shoes

Well, I got a song we call the Madison blues

Put on your Madison blues shoes

Do the Madison blues

Put on your Madison blues shoes

And rock away all your blues

Ho yeah
