Walk A Thin Line

Par Fleetwood Mac

Album : Tusk CD1 [2015 Warner Bros. R2 552284] USA

I've seen so many things that made me wonder

But sometimes it's hard to tell

I said

"Take your time"

But no one was listening

I walk a thin line

They told me that I never would recover

Still some say they knew me well

I said

"Stay by my side"

But no one said nothin'

I walk a thin line

I said

"Please toe the line"

But no one was listening

I walk a thin line

I said

"Fate takes time"

But no one was listening

I walk a thin line.
