Crazy Mary

Par FM Static

Album : What Are You Waiting For?

Crazy Mary is a slow girl who looks up to no one

Would do anything for a cold one

Wishes she could find her way home

Got the look on her face and her stares like a ray gun

As we walked by everyday and

I wish there's something I could do for her

Maybe if I took a little time to talk

Then she'd heal a little if she wants to

She can run but let's teach her how to walk away now

I'll shake a little if she wants to, she'll laugh a little if she needs to

There's a key to the door that she's hiding behind

She watches the world pass her by like a freight train

And they all call her the same name

Laughin' as they point and stare at her

So she cries out to God up in heaven

Been prayin' since she was 11

For Him to send someone to meet her there

Maybe if I took a little time to talk

Then she'd heal a little if she wants to

She can run but let's teach her how to walk away now

I'll shake a little if she wants to, she'll laugh a little if she needs to

There's a key to the door that she's hiding behind

And knows of the thoughts and her dreams

And ideas she's got and contains inside

She's so broken apart and her heart is still lookin'

For somewhere to feel alright

And knows of the thoughts and her dreams

And ideas she's got and contains inside

She's so broken apart and her heart is still lookin'

For somewhere to feel alright, feel alright

Maybe if I took a little time to talk

Then she'd heal a little if she wants to

She can run but let's teach her how to walk away now

I'll shake a little if she wants to, she'll laugh a little if she needs to

There's a key to the door that she's hiding behind
