All My Life

Par Foo Fighters

Album : One By One [Vinyl LP]

All my life, I've been searching for something

Something never comes, never leads to nothing

Nothing satisfies but I'm getting close

Closer to the prize at the end of the rope

All night long I dream of the day

When it comes around, then it's taken away

Leaves me with the feeling that I feel the most

Feel it come to life when I see your ghost

Come down, don't you resist

You've such a delicate wrist

And if I give it a twist

Something to hold when I lose my grip

Will I find something in that?

So, give me just what I need

Another reason to bleed

One by one, hidden up my sleeve

One by one, hidden up my sleeve

Hey, don't let it go to waste

I love it but I hate the taste

Weight keeping me down

Hey, don't let it go to waste

I love it but I hate the taste

Weight keeping me down

Will I find a believer?

Another one who believes

Another one to deceive

Over and over, down on my knees

If I get any closer and if you open up wide

And if you let me inside

On and on, I've got nothing to hide

On and on, I've got nothing to hide

Hey, don't let it go to waste

I love it but I hate the taste

Weight keeping me down

Hey, don't let it go to waste

I love it but I hate the taste

Weight keeping me down

All my life, I've been searching for something

Something never comes, never leads to nothing

Nothing satisfies but I'm getting close

Closer to the prize at the end of the rope

All night long I dream of the day

When it comes around, then it's taken away

Leaves me with the feeling that I feel the most

Feel it come to life when I see your ghost

Then I'm done, done, on to the next one

Done, done and I'm on to the next one

Done, done and I'm on to the next one

Done, done and I'm on to the next one

Done, done and I'm on to the next one

Done, done and I'm on to the next one

Done, done and I'm on to the next one

Done, I'm done and I'm on to the next

Done, done, on to the next one

Done, I'm done and on to the next one

Done, done, on to the next one

Done, I'm done and I'm on to the next

Hey, don't let it go to waste

I love it but I hate the taste

Weight keeping me down

Hey, don't let it go to waste

I love it but I hate the taste

Weight keeping me down

Done, done, on to the next one

Done, I'm done and I'm on to the next
