In Your Honour

Par Foo Fighters

Album : *In Your Honour CD1*

Can you hear me, hear me screamin'?

Breaking in the muted skies

This thunder heart, like bombs beating

Echoing a thousand miles

Mine is yours and yours is mine

There is no divide

In your honor I would die tonight

Mine is yours and yours is mine

I will sacrifice

In your honor I would die tonight

For you to feel alive

Can you feel me, feel me breathing?

One last breath before I close my eyes

This suffering for receiving

Deliver me into the other side

Mine is yours and yours is mine

There is no divide

In your honor I would die tonight

Mine is yours and yours is mine

I will sacrifice

In your honor I would die tonight

For you to feel alive

For you to feel alive

For you to feel alive

For you to feel alive
