Long Road To Ruin

Par Foo Fighters

Album : FOO FIGHTERS GREATEST HITS

Here now, don't make a sound
Say, have you heard the news today?
One flag was taken down
To raise another in its place
A heavy cross you bear
A stubborn heart remains unchanged
No harm, no life, no love
No stranger singing in your name
But maybe the season

The colors change in the valley skies

Dear God, I've sealed my fate

Running through hell, heaven can wait

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead end in sight

Let's say we take this town

No king or queen of any state

Get up to shut it down

Open the streets and raise the gates

I know a wall to scale

I know a field without a name

Head on without a care

Before it's way too late

Maybe the season

The colors change in the valley skies

Oh God, I've sealed my fate

Running through hell, heaven can wait

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead end in sight

For every piece to fall in place

Forever gone without a trace

Your horizon takes its shape

No turning back, don't turn that page

Come now, I'm leaving here tonight

Come now, let's leave it all behind

Is that the price you pay?

Running through hell, heaven can wait

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead end in sight
