Up In Arms

Par Foo Fighters

Album : Welcome To Rock Heaven

The rain is here and you, my dear, are still my friend

It's true, the two of us are back as one again

I was the one who left you

Always coming back

I cannot forget you, girl

Now I am up in arms again

The rain is here and you, my dear, are still my friend

It's true, the two of us are back as one again

But I was the one who left you

Always coming back

I cannot forget you, girl

Now I am up in arms again

Together now I don't know how this love could end

My lonely heart, it falls apart for you to mend

But I was the one who left you

Always coming back

I cannot forget you, girl

Now I am up in arms again

But I was the one who left you

Always coming back

I cannot forget you, girl

Now I am up in arms again

But I was the one who left you

Always coming back

I cannot forget you, girl

Now I am up in arms again
