Double Vision

Par Foreigner

Album : Double Vision (Ger)

Feeling down 'n' dirty, feeling kinda mean
I've been from one to another extreme
This time I had a good time, ain't got time to wait
I wanna stick around till I can't see straight

Fill my eyes with that double vision

No disguise for that double vision

Ooh, when it gets through to me, it's always new to me

My double vision gets the best of me
Never do more than I, I really need
My mind is racing, but my body's in the lead
Tonight's the night, I'm gonna push it to the limit
I'll live all of my years in a single minute

Fill my eyes with that double vision

No disguise for that double vision

Ooh, when it gets through to me, it's always new to me

My double vision always seems to get the best of me, the best of me, yeah-ah

Ooh, double vision

I need my double vision

Ooh, (double vision) it takes me out of my head, takin' me out of my head

Ooh, I get my double vision, oh

Ooh, seeing double double, double vision

Ooh, oh my double vision (ooh, double vision)

Yeah-ah, double vision
