Do You Really Want To Feel It

Par Fragma

Album : Toca

Do you really wanna feel it?

Do you really wanna see it?

Do you really want to know it all, show it all?

Slow me down, make me do, pull me through

Do you really wanna feel it?

Do you really wanna see it?

Do you really want to know it all, show it all?

Cause' you do what you do, yes it's true

Do you really wanna feel it?

Do you really wanna see it?

Do you really want to know it all, show it all?

Slow me down, make me do, pull me through

Do you really wanna feel it?

Do you really wanna see it?

Do you really want to know it all, show it all?

Cause' you do what you do, yes it's true

Do you really wanna feel it, see it, believe it?

It's up to you to feel it, see it, believe it

It's up to you to feel it

Feel it, feel it, feel it, feel it

Do you really wanna feel it?

Do you really wanna see it?

Do you really want to know it all, show it all?

Slow me down, make me do, pull me through

Do you really wanna feel it?

Do you really wanna see it?

Do you really want to know it all, show it all?

Cause' you do what you do, yes it's true

Do you really wanna feel it?

Do you really wanna feel it?

Do you really wanna feel it?
