Call Me

Par Frank Sinatra

Album : A Fine Romance - The Love Songs of Frank Sinatra

If you'r feeling sad and lonely
There's a service I can render
Tell the one who loves you only
I can be so warm and tender

Call me don't be afraid, you can

Call me baby it's late but just

Call me tell me and I'll be around

When it seems your friends desert you
There's somebody's thinkin' of you
I'm the one who never hurt you
Baby that's because I love you

Call me don't be afraid, you can

Call me baby it's late but just

Call me tell me and I'll be around

Now don't forget me

Because If you left me

I will always stay by you

You've got to thrust me

That's how it must be

There's so much that I can do

If you call I'll be right with you

You and I should be together

Take this love I long to give you

I'll be at your side forever

Call me don't be afraid, you can

Call me baby it's late but just

Call me tell me and I'll be around

Call me don't be afraid, you can

Call me baby it's late but just

Call me tell me and I'll be around
