# Love And Marriage

Par Frank Sinatra

*Album : Greatest Hits*

**Love and marriage, love and marriage**

They Go together like a horse and carriage

This I tell you brother

You can't have one without the other

**Love and marriage, love and marriage**

It's an institute you can't disparage

Ask the local gentry

And they will say it's elementary

**Try, try, try to separate them**

**It's an illusion**

**Try, try, try, and you will only come**

**To this conclusion**

**Love and marriage, love and marriage**

**They go together like the horse and carriage**

**Dad was told by mother**

**You can't have one, you can't have none, you can't have one without the other!**

**Try, try, try to separate them**

**It's an illusion**

**Try, try, try, and you will only come**

**To this conclusion**

**Love and marriage, love and marriage**

**They go together like the horse and carriage**

**Dad was told by mother**

**You can't have one, you can't have none, you can't have one without the other!**
