Two Tribes (Rob Searle Club Mix)

Par Frankie Goes To Hollywood

Album : *The Club Mixes 2000 (CD 2)*

The air attack warning sounds like

This is the sound.

When you hear the air attack warning

You and your family must take cover

Let's go

When two tribes go to war

A point is all you can score

Score no more

Score no more

When two tribes go to war

A point is all you can score

Working for the black gas

Cowboy No. 1

A born-again poor man's son

Poor man's son

On the air America

I modeled shirts by Van Heusen, yeah

Working for the black gas

You know

When two tribes go to war

A point is all you can score

Score no more

Score no more

When two tribes go to war

A point is all you can score

Working for the black gas

Switch off your shield

Switch off and feel

I'm working on loving, yeah

Giving you back the good times

Ship it out-out

I'm working for the black gas

Tell the world that you're winning

Love and life

Love and life

Listen to the voice sing

Follow me

Listen to the voice sing

Follow me

When two tribes go to war

A point is all you can score

When two tribes go to war

A point is all you can score

We got two tribes

We got the bomb

We got the bomb, yeah

Sock it to me biscuits-now

Are we living in a land

Where sex and horror are the new Gods?

Yeah

When two tribes go to war

A point is all you can score
