Feeling Kind Of Anxious

Par Franz Ferdinand

Album : Blood: Franz Ferdinand

Come on, let's get high

Come on

Come on, let's get high

But you got to stop

Twenty five miles

High

Come on Lexxo

What you got next?

Walking twenty five miles

High

Come on, let's get high

Come on, let's get high

Come on, let's get high

Come on, let's get high

Come on, let's get high, high

La, la, la, la, la, Ulysses

La, la, la, la, la, Ulysses

I've found a new way

I've found a new way, baby

Am I Ulysses? Am I Ulysses?

Am I Ulysses? Am I Ulysses?

Am I Ulysses? Am I Ulysses?

Am I Ulysses? Am I Ulysses?

Am I Ulysses? Am I Ulysses?

Am I Ulysses? Am I Ulysses?

Am I Ulysses? Am I Ulysses?

Am I Ulysses? Am I Ulysses?

No, but you are now, boy

Feeling kinda anxious

Yeah, everyone, everybody knows it

La, la, la, la, la, Ulysses

I've found a new way

I've found a new way, baby

La, la, la, la, la, Ulysses

I've found a new way

I've found a new way, baby

Oh, oh, then suddenly you know

You're never going home

You're never, you're never

You're never, you're never

You're never, you're never

You're never, you're never

You're never, you're never

You're never, you're never

You're never, you're never

You're never going home

Not Ulysses, baby no

La, la, la, la, ooh

You're not Ulysses, ooh

La, la, la, la, ooh
