# This Time

Par Freestyle

*Album : Freestyle - Freestyle Live @ Araneta*

Oh I'm sorry, girl, for causing you much pain  
Didn't mean to make you cry, make your efforts all in vain  
And I apologize for all the things I've done  
You were loving me so much but all I did was let you down  
  
Oh, I really don't know just what to say  
All I know is that I want you to stay  
  
This time, I'm not gonna let you slip away  
This time, I'm not gonna let another day go by  
Without holding you so tight  
Without treating you so right  
  
This time, I'm not gonna let go of your love  
This time, I promise you that we'll rise above it all  
And I will never let you fall  
I'm gonna give you my all, this time

Oh, I never thought that I was hurting you

Now I know that I was wrong, now I know just what to do

Gonna try to be the best that I could be

All I need is one more chance to make it up to you, you'll see

And there's one more thing that you oughta know

All I know is that I don't want you to go
