Barry White, saved my life

and if Barry White, saved your life

Or got you back with your ex-wife [Chorus 1]

Sing Barry White, Barry White It's alright.

Now I was watching Banachek, my mind's eye,

Right back when I was seed and learning my life.

At night they came together and gave me sight

He said it's better doing this, than sucking on a pipe.

Now when she came over, she brought the diskettes

On and on, she promised to kick this.

EWf, stole my breath,

When he finished, there was nothing left.

Over and over, 'til it's ready,

Sing about it low and fat, like J.P. Ghetti

We make it happen, ass slappin

Sitting on the point to where you never catch us napping

CO efino, he got the money grips,

No parking for Saturday night and the pips

The pips know the hymns, they singing along

Like knowing new verbs is gonna keep you from the twilight

(Do a little like that)

Barry White, Barry White

You know it's all right

Over and over, 'til it's ready,

Sing about it low and fat, like J.P. Ghatti

We make it happen, ass slappin

Sitting on the point to where you never catch us napping

CO efino, he got the money grips

No parking for Saturday night and the pips
