Galdive - Teach Me How To Love (Official Lyric Video)

Par galdive

Album : galdive Videos

What can we do differently

Or are we really never meant to be?

When you kissed me slowly

Did we cross the line?

Can't the world just let us be?

'Cause you made me love the things I hate about myself (about myself)

How can I learn the way you love like no one else? (Like no one else)

Teach me how to love like you

Teach me how to love like you

Teach me how to

Love like the way you do

Love like you love me too

Teach me how to

Love like the way you do (teach me how, teach me how, teach me how)

(Love like you, love like you, love like you)

Love like you love me too (hm, hm)

Now I'm stuck

Lost in the thoughts

Of what could have been (what could have been)

I pray someday you'll find

Someone who's more deserving

Know the world will let you be

'Cause you made me love the things I hate about myself (hm)

How can I learn the way you love like no one else? (How?)

Teach me how to love like you (how? Hm)

Teach me how to love like you (love, love, love, hm)

Teach me how to

Love like the way you do (teach me, teach me, teach me)

(Love like you, love like you, love like you)

Love like you love me too (hm, ah, ah)

Love like the way you do (teach me, teach me, teach me)

(Love like you, love like you, love like you)

Love like you love me too (hm, hm)

Teach me how to love like you
