VOW

Par Garbage

Album : Version 1.0

I can't use what I can't abuse

And I can't stop when it comes to you

You burned me out but I'm back at your door

Like Joan of Arc coming back for more

I nearly died

I nearly died

I nearly died

I came to cut you up

I came to knock you down

I came around to tear your little world apart

I came to shut you up

I came to drag you down

I came around to tear your little world apart

And break your soul apart

Ah, you burn and burn to get under my skin

You've gone too far now, I won't give in

You crucify me but I'm back in your bed

Like Jesus Christ coming back from the dead

I nearly died

I nearly died

I nearly died

I came to knock you up

I came to cut you down

I came around to tear your little world apart

I came to rip you up

I came to shut you down

I came around to tear your little world apart

And break your soul apart

I nearly died

I nearly died

I nearly died

I came to cut you up

I came to knock you down

I came around to tear your little world apart

I came to shut you up

I came to suck you down

I came around to tear your little world apart

Tear your little world apart

Tear your little world apart

And break your soul apart

I can't stop when it comes to you

I can't stop when it comes to you

When it comes to you

When it comes to you

When it comes to you
