# Seven Stones

Par Genesis

*Album : Nursery Cryme (2007 Remaster)*

Heard the old man tell his tale

Tinker, alone within a storm

And losing hope he clears the leaves beneath a tree

Seven stones

Lay on the ground

Within the seventh house a friend was found

**And the changes of no consequence will pick up the reins from nowhere**

Sailors, in peril on the sea

Amongst the waves a rock looms nearer, and not yet seen

They see a gull

Flying by

The Captain turns the boat and he asks not why

**And the changes of no consequence will pick up the reins from nowhere**

Nowhere

**Despair that tires the world brings the old man laughter**

**The laughter of the world only grieves him**

**Believe him**

**The old man's guide is chance**

I heard the old man tell his tale:

Farmer, who knows not when to sow

Consults the old man clutching money in his hand

And with a shrug

The old man smiled

Took the money, left the farmer wild

**And the changes of no consequence will pick up the reins from nowhere**

Nowhere

**Despair that tires the world brings the old man laughter**

**The laughter of the world only grieves him**

**Believe him**

**The old man's guide is chance**
