That's All

Par Genesis

Album : Genesis (2007 Hybrid SACD)

Just as I thought it was goin' alright

I found out I'm wrong, when I thought I was right

It's always the same, it's just a shame, that's all

I could say day, and you'd say night

Tell me it's black, when I know that it's white

Always the same, it's just a shame and that's all

I could leave, but I won't go

Though my heart might tell me so

I can't feel a thing from my head down to my toes

But why does it always seem to be

Me lookin' at you, you lookin' at me

It's always the same, it's just a shame, that's all

Turnin' me on, turnin' me off

Making me feel like I want too much

Livin' with you is just putting me through it all of the time

Runnin' around, staying out all night

Taking it all instead of taking one bite

Living with you is just putting me through it all of the time

I could leave, but I won't go

But it'd be easier I know

I can't feel a thing from my head down to my toes

Why does it always seem to be

Me lookin' at you, you lookin' at me

It's always the same, it's just a shame, that's all

Truth is I love you

More than I wanted to

There's no point in trying to pretend

There's been no one who

Makes me feel like you do

Say we'll be together 'til the end

But I could leave, but I won't go

It'd be easier I know

I can't feel a thing from my head down to my toes

So why does it always seem to be

Me looking at you, you looking at me

It's always the same, it's just a shame, that's all

But I love you

More than I wanted to

There's no point in trying to pretend

There's been no one who

Makes me feel like you do

Say we'll be together 'til the end

But just as I thought it was going alright

I find out I'm wrong when I thought I was right

It's always the same, it's just a shame, that's all

Well, I could say day, you'd say night

Tell me it's black when I know that it's white

It's always the same, it's just a shame, that's all

That's all
