# Cogs In Cogs

Par Gentle Giant

*Album : The Power And The Glory [2019, SMABX1091]*

Empty promise broken

The path has not been paved any way

Cogs in cogs

The machine is being left where it lay

Anger and the rising murmur

Breaks the old circle

**The wheel slowly turns around**

All words saying nothing

The air is sour with discontent

No returns have been tasted

Or are they ever sent

Slowly burning in the fire

**Rising murmur breaks the old circle**

**The wheel slowly turns around**

**The circle turns around**

**The changing voices calling**

**(Circle turns around)**

**The circle turns around**

**(The changing voices)**

**The changing voices calling**

**(Circle turns around)**
