All in all each man in all men

**All men in each man.**

**He can see she can't, she can see**

She can

**See whatever, whatever.**

**You may know what I don't know,**

**But not that**

**I don't know it and I can't tell you**

So you will.

To tell me all man in all men

**All men in each man.**

**He can see she can't, she can see**

She can

**See whatever, whatever.**

**You may know what I don't know,**

**But not that**

**I don't know it and I can't tell you**

So you will have to tell me all.

It hurts him to think that she is  
Hurting her by him being hurt to think  
That she thinks he is hurt by making her  
Feel guilty at hurting him by her thinking  
She wants him to want her. Her wants  
Her to  
Want him to get him to want him to get  
Him to want her she pretends.

He tries to make her afraid by not  
Being afraid. (permutations)x3

Solo

#### 4. The Advent Of Panurge

There coming over Charaton Bridge  
Look do you see the man who is poor  
But rich.

What do you wish; and where do you go;  
Who are you; where are you from:

Will you tell me your name?

Rest awhile; call me your friend.

Please stay with me I'd like to help.

Then he said,

How can I speak when I'm dry and my  
Throat is burning. So bring me aid  
And I'll answer your doubts.

Friend in need I'd like your help

Please take me home I'll stay with you.

Solo

**Then he said fair Pantagruel**

**My name is Panurge and I have come**

**From Hell.**

**Look at my friend**

Look all around you

**Look at my friend**

**Take all round you.**

Hey, Friend

**Take all round you.**

**Look at my friend**

Solo

So brotherhood was made as their bond

Carried him home and provide for his

Needs

And his shelter; this day was done

As no other the like.

Faithfully their vow was made and from

That day they were as one.

**Then he said fair Pantagruel**

**My name is Panurge and I have come**

**From Hell.**
