It's your turn

Par Gerald levert

Album : Gerald levert

Look I've been loving you for a long, long time

Never asked you for much

Just have a open mind

Come on, baby, come on, baby

Oh baby, oh babe

For a year or so we've been going strong

I'll stop at nothing girl, just to turn you on

Didn't I do it, baby? Didn't I do it, girl?

See I'll do anything just to make you scream

Tell me how low and girl I would go

Didn't I do it, baby? Didn't I do it, girl?

It's your turn to do unto me as I do unto you

You got to show and prove that you like my groove

I don't wanna be the only freak around here

Said, it's your turn to do unto me as I do unto you

You got to show and prove that you like my groove

I don't wanna be the only freak around here

Buy you what you need to get into me

Strawberries whip cream I'll get you some honey

I would do that, baby, I would do that, girl

Watch a video, turn on the radio

What's it gonna take to start this freaky show

Are you 'bout it, baby? Are you 'bout it, girl?

'Cause baby, baby, it's your turn to do unto me as I do unto you

You got to show and prove that you like my groove

I don't wanna be the only freak around here, baby

It's your turn to do unto me as I do unto you

You got to show and prove that you like my groove

I don't wanna be the only freak around here

If you're my girl and I'm your man

You got to understand that I got needs, baby

I ain't gonna tell a sound girl, no, no, no, no, no, no

So let your hair down it's time to play

Turn on the music a little bit of Marvin Gaye

Let's get it on, baby, let's get it on, girl

If you don't I gotta go, I gotta go, baby

Said you get one, two, three strikes and you're out

Gotta let you go, girl, gotta let you go, girl

Gotta let you go, babe, come on

Baby, please don't let me down

Gotta let you go, girl, gotta let you go, girl

Gotta let you go, girl, come on

You get, you get one, two, three strikes and I gotta go

Gotta let you go, girl, gotta let you go, baby

Gotta let you go, baby

Baby, please don't let me down

Gotta let you go, girl, gotta let you go, girl

Gotta let you go, girl, come on

Do unto me as I do unto you

You got to show and prove that you like my groove

I don't want to be the only freak around here

Do unto me as I do unto you

You got to show and prove that you like my groove

I don't want to be the only freak around here

Do unto me as I do unto you

You got to show and prove that you like my groove

I don't want to be the only freak around here

Do unto me as I do unto you

You got to show and prove that you like my groove

I don't want to be the only freak around here
