The Deer in You

Par Gerling

Album : The Deer In You

Well, you know

I've been waiting for so long

And the underground

Everyday is getting strong

Are you going away?

Are you going away from me?

Do you know?

Do you know

Where has your courage gone?

Do you remember

Where you did once belong?

Are you going away?

Are you going away from me?

Do you know?

We're all fighting against the man

The big brotherhood and the master plan

We're all fighting against that same evil man

Yeah, the deer in you

Yeah, it's gotta get you through

Deer in you, yeah, has gotta us through

Deer in you, yeah, has gotta get you through

Deer in you, yeah, has gotta us through

Are you going away?

Are you going away from me?

Do you know?

Do you know

Where has your courage gone?

Do you remember

Where you did once belong?

Are you going away?

Are you going away from me?

Do you know?

We're all fighting against the man

The big brotherhood and the master plan

We're all fighting against that same evil man

Yeah, the deer in you

Yeah, it's gotta get you through

Deer in you, yeah, has gotta us through

Deer in you, yeah, has gotta get you through

Deer in you, yeah, has gotta us through

Deer in you, yeah, has gotta get you through

Deer in you, yeah, has gotta us through

Deer in you, yeah, has gotta get you through
